Last Updated - 19/12/2025

I agree that by attending the market I am accepting these terms and conditions I am entering into a legally binding agreement for my attendance at the market. All stallholders that trade at the Daylesford Sunday Market are deemed to have agreed to and accepted these Terms and Conditions.

## **1.0 Applications**

**1.1** Approval of all applications is at the sole discretion of the Market Manager. All approvals will be based on the information given by the applicant on their application, meeting the approved:

- Product criteria
- Quality of the products
- Product distribution
- Product demand (market mix) and availability

**1.2** Management reserves the right to reject applications and not enter any correspondence or otherwise explain the reasons for its decisions. All decisions made by Management are final. Stall rental and stall positioning is totally at the discretion of Management and may be changed from time to time. Stallholders do not hold any claim to ownership of allocated sites and can be changed or moved at any time, including on market day.

**1.3** Stalls cannot be transferred, sublet, franchised or sold to any other person, nor can they be shared without written approval.

**1.4** Upon applying for a stall, stallholders agree that any images taken of their stall or products may be used on the Daylesford Sunday Market website and/or the Daylesford Railway website. Stallholders also agree that general market images taken on market day that include their stall may be used on social media platforms to promote the market. If a stallholder does not want an image taken by the market manager specifically of their stall or products promoted on social media they must inform the market manager at the time the image is taken.

**1.5** Stallholders must also agree that they will exercise good judgement and always be respectful, courteous and professional to all Spa Country Railway volunteers, Market Management, fellow

stallholders, customers and any others affiliated with the market, in person and on all platforms of social media. Any stallholder social media activity that brings the reputation of the market, the Market Manager or the Daylesford Spa Country Railway into disrepute may lead to disciplinary action or immediate termination from the market. There is zero tolerance to bullying and intimidation of volunteers, market management and staff, any offenders will be permanently evicted from the market immediately.

**1.6** Stall sizes do vary, all published and stated stall sites are not exact and market management reserves the right to adjust stall sizes at any time.

## **2.0 Approved Products**

**2.1** All products offered for sale must be legally able to be sold by the registered stallholder.

**2.2** Non-food products that are clearly imported or purchased from a wholesaler may be accepted by Management. Any products deemed by Management to be inappropriate, offensive, or discriminatory will not be approved. Stallholders that craft or make their own product will be given preference over those reselling products they have not made.

**2.3** Food products that are clearly imported or purchased from a wholesaler may only be accepted by Management if that product or its primary ingredient does not grow or is not grown within a 50km range of the market. Management reserves the right to discretion regarding food products sold at the market and will place emphasis on local goods when possible.

**2.4** It is the responsibility of the stallholder to ensure they conform to any safety and compliance standards pertaining to their product, particularly electrical items or items for children.

**2.5** A stallholder may only offer for sale approved products which have been accepted by Management when booking application is submitted by the stallholder.

**2.6** To add new diverse products, a request in writing is required with photos. Products, outside of the approved items/product type cannot be added to stall unless written approval is given by Management.

**2.7** All products and stall presentation must be of a high standard. There is some lenience in relation to second hand goods or bric a brac.

**2.8** All second hand electrical appliances being sold at the market must be tested and tagged or labelled as a second hand item in accordance with relevant Energy Safe Victoria regulations.

**2.9** The sale of food products at the market is limited by the following:

- Fresh produce of any kind (including eggs) must be grown or produced by the stallholder within a 50km radius of the market unless that product does not grow or is not grown within that radius. Growers and producers must agree to a farm inspection by market management to ensure provenance in order to be approved.

- Jarred products (chutneys, jams, relishes, pickles and the like) must be made by the stallholder with the primary ingredient sourced within the 50km radius of the market where possible (exceptions will be made for ingredients that do not grow or are not grown within the radius), preference will be given to those that grow their own ingredients.

- Beverages, alcoholic and non-alcoholic, must be made within 50km of the market by the stallholder.

- Baked products must be made/baked within 50km of the market by the stallholder.

Some exceptions exist to these and these stallholders have been approved in writing. Existing exceptions are in place to guarantee supply of products to the local community and are extremely limited. It is very unlikely that further exceptions will be permitted in future.

### **3.0 Fees & Insurance**

The Stallholder shall also ensure that all their property and effects are removed from the Market at the conclusion of the Market each Sunday. Weather at Daylesford can be very different to Melbourne or even Ballarat. It can be raining in Melbourne, Ballan & Ballarat but fine in Daylesford, or vice versa. We recommend checking the Daylesford weather on news/weather sites before attending the market on questionable days, do not rely on the Melbourne or Ballarat report. If you decide to cancel your stall due to poor weather please do so before 11am Saturday to avoid stall fee payment for non-attendance. The Daylesford Sunday Market does operate on "Total Fire Ban" days in summer unless there is a "Catastrophic" fire danger warning issued for the Central Region. No market will operate on "Catastrophic" fire danger days in the Central Region. Daylesford is identified as a high fire danger town. Avoid this area on a "Catastrophic" day.

**6.4** Management will not be held responsible for any loss including fees paid by stallholders, damage and injury or loss of life whatsoever resulting from adverse weather conditions.
